1.0 Policy Statement

Bachy Soletanche Holdings Europe Ltd (BSHEL) include Bachy Soletanche Ltd and Simplex Westpile Ltd who are specialist geotechnical contractors carrying out foundation work and specialist geotechnical work for the construction industry. Main contracting and joint ventures are also undertaken wherever our specialist works are key to overall contract performance or programme.

The aims of BSHEL with regard to quality management are as follows:

- to meet the specified requirements of the Client;
- to provide value for money by means of good workmanship and the use of approved materials;
- to complete all work within the agreed construction programme and at the agreed price;
- to continually improve the effectiveness of the QA System, and consequently the overall performance of the company and the satisfaction of our customers.

In order to achieve these aims, Bachy Soletanche Ltd and Simplex Westpile Ltd operate a mandatory quality management system in conjunction with other management controls. The Quality Manual describes the quality system which meets the requirements of BS EN ISO 9001 : 2008.
